I am Shivam Pabrekar, a multi-faceted individual with a strong background in Information Communication Technology and System Maintenance, having completed my ITI in these fields. I am currently expanding my knowledge and skills by pursuing an Advanced Diploma in IT, Networking, and Cloud Computing. Along with that I am also pursuing BSc in Computer Science. I am well versed in Networking and Hardware, which has been an integral part of my ITI and diploma course. I also have basic knowledge in HTML and CSS which I look forward to improve more. I am confident that my technical background and my continued education in these areas will help me excel in the field of IT and I am ready to take on new challenges and opportunities in networking, hardware maintenance and computer science.
